

GALE'S FERRY, Conn., June 16.—A change was made in the first 'Varsity four of the Yale crews to-night, after which they were taken down to the three-mile mark by Coach Kennedy. As boated to-night, Elwell was at bow, Howe No. 2, Maitland No. 3, and Appleton stroke, with Wood as coxswain. The change moved Howe from stroke to No. 2 and Appleton from the second four to stroke. The freshman four rowed down to the two-mile mark and back. Both eights went out together down the course at slow stroke until the two-and-a-half-mile mark was reached, when the freshmen stopped and returned. The senior eight continued down to the bridge, where for the last half-mile the stroke was raised to thirty for a spurt. The return was made in easy stretches. Among the visitors at quarters to-day was Capt. Cutler of the Harvard 'Varsity eight, who talked over matters with Capt. Frost of the Yale 'Varsity.

## TRIP OF THE METEOR.

Enjoyable Run Made to Coney Island,  
with Dr. Clayton on the Cushion.

Dr. Clayton handled the ribbons yesterday over the four horses of the public coach Meteor, which is making daily trips between the Hotel Astor and Brighton Beach Casino. Morris E. Howlett occupied the box seat, and three other guests made up the party which left the Astor at the scheduled time, 5:15 P. M.

The coach reached its destination at Brighton on time, leaving on the scheduled hour at 10 P. M. The trip home was made without incident, and at 11:45 o'clock the party pulled up at the Astor.

It was announced that beginning on June 20 the coach Magnet will make daily trips between the Hotel Astor and Arrowhead Inn, with Walter Lee and Morris E. Howlett alternating as the drivers.
